Main activity: processor of cosmetics

The above mentioned operator has been in possession of a valid inspection contract with Austria Bio Garantie GmbH since 2016-12-06. On the basis of the inspection conducted on 2019-07-09 the operator is certified according to the following rules:

- **Guideline Agricultural Products from Organic Production and Derived Products, subchapter organic cosmetics, as amended**

The declared operator has submitted his activities under control, and meets the requirements laid down in the named Regulation.

The appropriate products are not placed on the market as food and/or feed and are therefore out of the scope of Regulation (EC) No 834/2007, current version. Frequency, scope and methodology of the control system are carried out equivalent to the Regulation (EC) No 834/2007 and to the Regulation (EC) No 889/2008, both in the current version.

Plant and animal products of agricultural origin, which are used to calculate the ratio of organic ingredients in a cosmetic product, and certified single-component-products comply with the provisions on the organic production (Regulations (EC) No 834/2007, (EC) No 889/2008 and (EC) No 1235/2008, all in the current version).

Austria Bio Garantie GmbH confirms that the products named below may be distributed according to the above mentioned specification and with terms referring to the organic production:
